DIY fixing your power window motor , Toyota Nation Forum

Correct, the motor works, and the window goes all the way up, but it just doesn't seat properly at the back edge. There's a small gap, b/c the window went to unevenly. If I have someone else press the window button while I palm the glass on both sides and help

Solara Convertible: Passenger Window and Rear Windows

The passenger window and rear windows stopped working on this convertible. Driver's window still works so doesn't seem to be the fuse (my understanding is that it is a single fuse for power windows). As Strega noted, the switch is the likely culprit. That being said
