

# **Aa lithium battery nsn**

## Overview

---

National Stock Number (NSN) 6135-01-597-1901, or NIIN 015971901, (battery,nonrechargeable) was assigned June 1, 2011 in the Federal Logistics Information System (FLIS). This NIIN is Available for Manual Assignment. This NSN does not replace any other NSNs.What is the National Stock Number (NSN) 610-01-624-3591?

National Stock Number (NSN) 6140-01-624-3591, or NIIN 016243591, (battery,storage) was assigned December 26, 2013 in the Federal Logistics Information System (FLIS). This NIIN is Available for Manual Assignment. This NSN does not replace any other NSNs. There is only one manufacturer part number associated with this NSN.

What is NSN 6135-01-597-1901?

National Stock Number (NSN) 6135-01-597-1901, or NIIN 015971901, (battery,nonrechargeable) was assigned June 1, 2011 in the Federal Logistics Information System (FLIS). This NIIN is Available for Manual Assignment. This NSN does not replace any other NSNs. There is only one manufacturer part number associated with this NSN.

What is an AA lithium battery?

An AA lithium battery, such as Energizer's AA Lithium Batteries, is designed to power high-tech devices like flashlights, smart watches, clocks, and video game controllers. They are ideal for people who need their electronics ready at all times, such as campers, photographers, or anyone else.

Does NSN 6135015971901 contain precious metals?

Information is in the Hazardous Materials Information Resource System (HMIRS). NSN 6135015971901 does not contain precious metals. This NSN is associated to Schedule B 8506900000: primary battery and cell parts. The Schedule B End Use is listed as electric apparatus. NAICS classification category 335912: primary battery manufacturing.

Does NSN 6140016243591 contain precious metals?

Information is in the Hazardous Materials Information Resource System (HMIRS). NSN 6140016243591 does not contain precious metals. This NSN is associated to Schedule B 8507800002: storage batteries, nesoi. The Schedule B End Use is listed as electric apparatus.

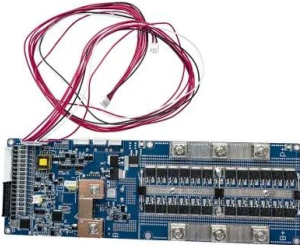

What is NSN 8506900000?

This NSN is associated to Schedule B 8506900000: primary battery and cell parts. The Schedule B End Use is listed as electric apparatus. NAICS classification category 335912: primary battery manufacturing. This information was last updated on Oct 01, 2024. (FEAT) AA CELL, ANSI SIZE L40, PD 7FXEE-92-239,TYPE 2. DO NOT DUPE TO NSN 6135-00-985-7845.
