Who is Aerotek?

In 1983, we founded Aerotek, a company that paired contract employment and consulting with superior customer service. As we grew, we built and acquired new businesses to provide our customers and candidates with greater degrees of partnership and value.

What makes Aerotek a great company?

For over 40 years, Aerotek’s people-focused, performance-driven culture has helped millions of men and women find rewarding work at leading companies that know an exceptional workforce demands both capability and character. Now, we’re focusing everything we’ve learned on the workers who form the backbone of our economy.

Where is Aerotek located?

Headquartered in Hanover, Md., Aerotek operates a unified network of over 250 offices across North America. Aerotek is an operating company within Allegis Group, a global leader in talent solutions. To learn more, visit: [Aerotek.com](https://www.aerotek.com) | 1-888-AEROTEK.

What business does Aerotek have in Europe?

Aerotek's scientific and clinical business in Europe delivers a range of talent solutions to life sciences companies across EMEA. This business bolsters Actalent's existing Europe-based engineering services operations.

What happened between Aerotek and TEKsystems?

Aerotek’s Telecom division, Maxim Group and TEKsystems came together – grouping all IT staffing and services under the TEKsystems brand. Allegis

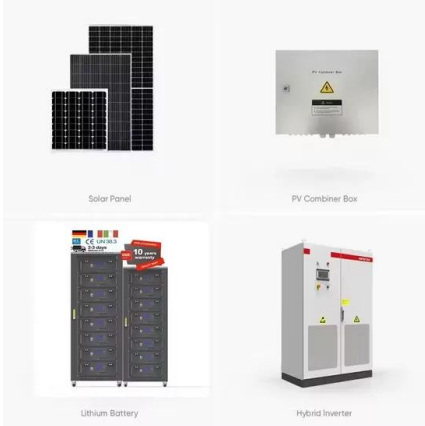

Group acquired MarketSource and Major, Lindsey & Africa – expanding our service offerings to include outsourced sales and legal placement.

What happened to team Aerotek?

Team Aerotek became our parent company, later changing our name to Allegis Group with Aerotek, Maxim Group and TEKsystems becoming separate operating companies. Allegis Group Services (later renamed Allegis Global Solutions) was established to provide workforce management solutions.
