

Afore Photovoltaic Inverter Instructions

Overview

How to install a 3 phase PV inverter?

Installation 3.5.2 Grid Connection The three-phase on-grid PV inverters work with grid (380/400/415/440 Vac, 50/60 Hz). The external AC switch should be installed between inverter and grid to isolate from grid. Please make sure below requirements are followed before connecting AC cable to the inverter.

How to install a PV inverter on a grid?

Installation 3.5.2 Grid Connection The on-grid PV inverters work with grid (220/230/240 Vac, 50/60 Hz). The external AC switch should be installed between inverter and grid to isolate from grid. Please make sure below requirements are followed before connecting AC cable to the inverter.

How to care for an afore inverter?

6. Afore inverter should be placed upwards and handled with care in delivery. Pay attention to waterproof. Do not expose the inverter directly to water, rain, snow or spray. Safety & Symbols 2.2 Explanations of Symbols Afore inverter strictly comply with relevant safety standards.

What should I know about the afore inverter?

7. Afore inverter should be placed upwards and handled with care in delivery. Pay attention to waterproof. 8. Alternative uses, modifications to the inverter not recommended by Afore or the installation of components not sold by Afore New Energy void the warranty claims.

Can a PV inverter be connected to the ground?

by qualified electricians. The PV panels and inverter must be connected to the ground. Do not touch the inverter cover until 5 minutes after disconnecting the DC and AC power supply. Do not touch the inverter enclosure when operating, keep away from materials that may be af.

How to set af-th hybrid inverter?

er/CT line are connected. AF-TH hybrid inverters should be set according to the r ired local grid standard. More information please contact istributors.6.1 er ON Turn on DC switch. After LCD lighting, hybrid inverter should be set following Ch er 5.3 at the first time. When inverter running under normal mode, Running indicator will li
