

Anwei Grid Download

Overview

Does grid run on other devices?

Verifying. Grid will run on most Windows devices, including devices from other suppliers, not just Smartbox products. Learn more about the recommended minimum device requirements to run Grid, on the Smartbox Hub.

What is a grid AAC app?

Grid AAC app for communication in Schools and institutions, available on iPad only. Eye gaze games and activities for any eye gaze users. A motivating and fun way to get started with eye gaze technology. Experience and enjoy books independently using eye gaze, switch and touch access.

How do I install grid 3?

You may need to install the Microsoft .NET Framework (this will download automatically) prior to the Grid 3 installation. Once the Grid 3 installer opens, select Next and you will be prompted to select the installation options. Install the most common options - this will install the required files and voices for your currently set Windows language.

How does grid work?

Grid puts eye gaze users in control to access your device by tracking your eye movement. Use Grid to adjust eye gaze speed, time, and calibrate. Choose from Lumin-i or Vida by Smartbox, or use Grid with other eye gaze cameras. Grid can be used with a touchscreen or keyguard, to select words, letters, symbols and apps.

How do I get a free trial of grid?

Try Grid with a 60-day free trial on any Windows device, or get in touch to try Grid Pad. Grid software on iOS gives you instant access to a range of text and symbol based communication and apps for touch access. Download from the App Store with a free 30-day trial or get in touch to purchase a licence.
