

Application for national subsidies for solar power generation

Overview

What is it?

Solar Together is a community buying scheme for solar panels which operates in the UK's local council regions. The scheme aims to bring together households and local authorities to make solar power more accessible and affordable for homeowners and small businesses. Panels bought through Solar.

What is it?

The Home Upgrade Grant Phase 2 (HUG 2) scheme has been running since April 2023 and will continue to accept applications until March 2025. It supports low-income families with awards of up to £10,000 for solar.

What is it?

In the UK, the value added tax (VAT) rate on most goods and services is 20 per cent. However, as part of the government's efforts to.

What is it?

Introduced by the UK government on 1 January 2020, the Smart Export Guarantee (SEG) replaced the Feed-in Tariffs (FIT) scheme. It allows solar panel owners to sell.
