

Autec power systems incorporated

Overview

Who is AUTEK power systems?

An American company founded in 1989, our time-tested and proven broad-line product portfolio of power supply solutions have been chosen to power many unique products and applications for our global customers. The Autec Power Systems Team is here to support you with a standard power solution from our high-efficiency product line-up.

Who is AUTEK solutions?

AUTEK SOLUTIONS PTE. LTD. (the "Company") is a Private Company Limited by Shares, incorporated on 11 May 2010 (Tuesday) in Singapore . The address of the Company's registered office is at the MIDVIEW CITY building. The Company current operating status is live and has been operating for 14 years.

Where is AUTEK based?

The US Navy's AUTEK base gathers together world-leading experts and technology next to a natural wonder. The ranges off Andros Island – south-west of Nassau – are centred on a natural phenomenon, the Tongue of the Ocean, a huge deep-water bowl carved out of coral reef.
