

Ballard power systems management

**FLEXIBLE SETTING OF
MULTIPLE WORKING MODES**

Overview

Ballard Power Systems is a developer and manufacturer of proton exchange membrane (PEM) fuel cell products for markets such as heavy-duty motive (consisting of bus and tram applications), portable power, material handling as well as engineering services. Ballard has designed and shipped over 400 MW of fuel cell products to date.

Who is Ballard Power Systems?

Ballard Power Systems Inc. is a developer and manufacturer of proton exchange membrane (PEM) fuel cell products for markets such as heavy-duty motive (consisting of bus and tram applications), portable power, material handling as well as engineering services. Ballard has designed and shipped over 400 MW of fuel cell products to date.

Are there any forward-looking statements about Ballard Power Systems Inc?

CAUTION REGARDING FORWARD-LOOKING STATEMENTS This document contains forward-looking statements about expected events and the financial and operating performance of Ballard Power Systems Inc. (“Ballard”, “the Company”, “we”, “us” or “our”). Forward-looking statements include any statements that do not refer to historical facts.

What happened to Ballard Power Systems?

Last week, Ballard Power Systems announced a major corporate restructuring targeted at conserving capital in light of delayed fuel cell adoption. The company also reshuffled management with both the CFO and COO being replaced by former subalterns.

Does Ballard Power offer a fuel cell service?

* fields are required. Ballard Power is the leading global provider of innovative clean energy fuel cell solutions that offer superior performance at a reduced operating cost.

How much will Ballard Power Systems save a year?

The company also reshuffled management with both the CFO and COO being replaced by former subalterns. Ballard Power Systems is projecting operating expense savings in excess of 30% which should translate into approximately

\$50 million on an annual basis.

Was Ballard Power's Management in agreement?

Apparently, Ballard Power's management wasn't in agreement regarding the company's path going forward as otherwise CFO Paul Dobson and COO Mark Biznek would have likely kept their well-paid jobs rather than being replaced by former subalterns:
