

Can I stay overnight in a locker

Overview

Which airport hotel should I choose if I have an overnight layover?

If you do have an overnight layover and will be spending the night at the airport, remember your options. You can stay in an airport hotel both within transit or on the public side, or you could sleep or rest in the airport terminal itself. Out of these choices, we would recommend an airport transit hotel when affordable and available.

Where should I stay if I have a layover?

Having experienced a few overnight layovers and doing them all differently, we can safely say that our absolute first choice is definitely to stay in a transit hotel if possible. Another option is to sleep in the airport terminal.

Can I take my Luggage on an overnight flight?

The simple answer is, it depends! Each airline, and even sometimes each airport, will have different rules about what is and is not allowed. As a general rule, most airlines will NOT automatically check your luggage through for an overnight connection. You will normally need collect your luggage when you land, and re-check it the following morning.
