

Can be used as a bed and also as a locker

Overview

You got this far in reading the post, so you deserve a little bedroom innuendo with the name of this combo. A canopy bed brings a bit of softness which is balanced by the very solid nightstands and.

Tapered legs and clean lines are present on the bed, nightstands, and dresser, which makes the pieces work despite their different materials. Mid.

An antique iron bed has traditional vibes, and paired with the simple shapes of a green nightstand and wood dresser helps make it feel more modern.

Oak, polished brass, marble, and hi gloss all give a luxurious feel. The nightstand and the dresser both have curved shapes, and the brass legs of the bed subtly connect to the nightstand. Neera Oak Queen Bed | Marble.

A classic costal look gets a contemporary upgrade with a clean-lined light-colored cane upholstered bed, oval nightstands, and a white dresser. Billingsly Upholstered Cane-Back Bed| 2 Drawer Oval Nightstand| Penny Extra.

Why do you need a bedside locker?

The right design will minimize both physical and visual clutter resulting in a more spacious and refined room. Your bedside locker will have a direct impact on the overall peace you feel when you're in bed. You can cultivate a more relaxing space that's consistent with your interior design goals with the perfect bedside table.

How far apart should a bedside locker be?

The spacing required between bedside lockers and a bed is determined by its function. If you're using your bedside table for items that you know you'll need to have at your fingertips, then closer is better. You should consider placing it further away from the bed if its primary purpose is for aesthetics only.

What are the different types of bedside lockers?

There are a huge variety of types of bedside lockers to choose from, and you will be spoiled for choice when it comes to selecting the perfect one that

matches your individual style and décor. Whether your style is classical, modern, retro, or rustic, you will be sure to find the ideal one to suit your space.

Do bedside lockers add value?

Bedside lockers are far more than just a prop when it comes to the overall look and feel of your bedroom. They add value through their functionality and style, and, most importantly, they help to make your day-to-day living more comfortable. They provide a luxurious statement piece, and they complement a bedroom of any size.

How do I choose a grey bedside locker?

Grey bedside lockers are a sleek, modern choice and work well in almost any setting. But, of course, style is a personal preference. Choose a bedside locker that embodies your personality and is in keeping with your bedroom's decor for a cohesive and seamless flow. Lastly, quantity. You will need to decide on the number of lockers you might need.

Are bedside lockers real estate?

Yes, bedside lockers are coveted real estate and without one, who knows what our skin would look like or whether we would ever pick up and read a book. However, nightstands don't have to be purely practical. They can include your own, unique, and personal style and still be functional.
