

# Can the bottom of the Song prodmi trunk storage compartment be made flat

Higher Anti-Rust Performance  
Lower Internal Impedance

## Overview

---

Why do you like the fortem trunk organizer?

Why we like it: The FORTEM Trunk Organizer provides lots of storage space and organization features, making it a useful product to keep in your trunk. There are three storage compartments in this trunk organizer. They are large and have a good depth which means that you can store larger items.

How many compartments are in a trunk organizer?

There are three storage compartments in this trunk organizer. They are large and have a good depth which means that you can store larger items. At the very least, you should be able to pile smaller items on top of one another.

Why do you like the trunkcrate pro trunk organizer?

Why we like it: The TrunkCrate Pro Trunk Organizer is a durable product that offers up lots of different storage options. This is a good-sized trunk that has deep compartments that work well for most mid-sized items. The depth of the compartments also ensures that whatever is inside them will stay securely there, even when driving around.

Why do you like the drive Auto Products trunk organizer?

Why we like it: The Drive Auto Products Trunk Organizer boasts a versatile and secure design that allows you to store multiple items. When it comes to storage, you really are spoilt for choice with this organizer. There are three large compartments which allow you to organize the larger items easily.

Why do you like the maidmax trunk organizer?

MaidMAX Trunk Organizer Why we like it: The MaidMAX Trunk Organizer is a simple yet effective product that works well with most car trunks. There are two large compartments that can easily hold a number of items. Each section is quite large and deep so this is a great option if you want to store as many items as possible.

Why do you like the higher gear products trunk organizer?

Why we like it: The Higher Gear Products Trunk Organizer is a long-lasting organizer that lets you store large and heavy items. This organizer consists of two, large main compartments. This means that you can easily store larger items like sports equipment or camping gear as there is plenty of space to do so.
