

Clear power solutions

Overview

Who is clear power solutions?

Clear Power Solutions Inc is a privately held corporation. We specialize in DC power solutions for RVs, boats, cottages and more, as well as complete solar energy systems. We also have the knowledge and equipment to build and rebuild battery packs. We also have a full range of telecom power and solar services.

Why should you choose clear Power Solutions Inc?

We are proud to provide our customers with great options for renewable energy systems, both on-grid and off-grid. We sell and install solar systems which offer flexible energy options. At Clear Power Solutions Inc, we're pleased to be able to offer a wide selection of battery options from NorthStar®, a trusted and reliable brand name.

What products does clear power solutions offer?

Clear Power Solutions Inc, is proud to offer products from Yuasa™, an industry leading company producing batteries to meet a wide variety of needs. We invite you to take a look below at some of the specifications for these products, or contact us today to learn more.

Who is clear energy solutions?

Clear Energy Solutions Inc. provides Electrical Contracting Services and Renewable Energy Systems. With Teams based in Greater Vancouver and Gibsons, BC, we serve Commercial, Residential, and Light Industrial Clients throughout southwestern BC and renewable energy applications everywhere.

Who are clearpower?

Clearpower Ltd, a business unit of Flogas Ireland, is a leading renewable energy company offering design, supply and installation of biomass boilers as well as a comprehensive fuel and maintenance or heat supply offering with

biomass clients in hotels and hospitality, industrial, public services, manufacturing and agri-business.

Who is clear solutions?

That seemingly small event began the transformation of Clear Solutions. In 1969 we had begun by making custom furniture, picture frames, and housewares. Demand in the marketplace for our acrylic displays was so profound that it redefined our focus and helped make us one of the most respected names in the industry.

Clear power solutions

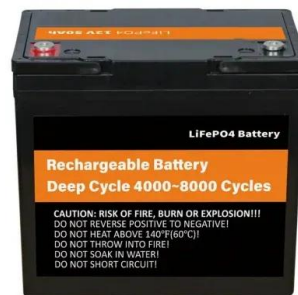

Grid Tie & Off-Grid

UTILIZE ALTERNATIVE ENERGY SOURCES FOR YOUR SITE At Clear Power Solutions we help customers connect to alternative energy sources, both on-grid and off-grid. You can learn more about both of these options below in greater detail. When you're ready to get started, or if you have further questions, contact us today. Mich
