

Commercial solar company harrison county

Overview

Who's signing up for solar leases in Harrison County?

Dozens of farmers have signed up for solar leases in Harrison County, Kentucky, over the past six years. Renewable energy companies began approaching the community as early as 2014, and there are three projects currently in different stages of development. Many farmers, including McCauley, are part of the second wave.

What is going on with solar in Harrison County?

In Harrison County, disputes over solar development exist at fence lines and over roads. For now, these disputes have not mobilized widespread resistance or organized protests against solar. Instead, small fractures appear in relationships between neighbors, friends and family members. But sometimes, those fractures are enough to create a break.

Who is Harrison's solar?

Harrison's Solar, NZ's top solar retailer, holds a nationwide presence and an industry-leading reputation among both customers and suppliers. We are committed to creating energy-efficient Kiwi homes and empowering consumers with sustainable solar solutions.
