

Diehard lithium battery

Overview

DieHard is an American brand of and parts owned by and sold exclusively at , and stores. Advance bought the DieHard brand from Sears in December 2019. The brand dates to 1967, having been developed by Globe-Union Battery for Sears. Globe-Union was later bought out by , who continued t.

What are DieHard batteries?

Diehard batteries are a line of automotive batteries made by Advance Auto Parts, Inc. They are known for their durability, reliability, and longevity. Diehard batteries are a good option for those who want durable and budget-friendly vehicle options. DieHard batteries come in various sizes and types to fit different vehicles and applications.

Who makes Diehard car batteries?

DieHard is the flagship brand from Sears for automotive batteries. They have been manufacturing batteries since 1967. DieHard burst onto the scene with innovative features that were ahead of the competition at the time. Here are some key things to know about DieHard car batteries:.

How long does a DieHard battery last?

However, on average, a DieHard battery can last between 3 and 5 years. DieHard Platinum batteries, an advanced AGM (Absorbed Glass Mat) battery, are known for lasting longer than traditional lead-acid batteries, up to 5 years. DieHard Silver and Gold batteries, which are conventional lead-acid batteries, have a lifespan of around 3-5 years.

Are Diehard car batteries good?

DieHard remains an industry leader known for high-quality, innovative car batteries. Their flooded lead-acid and AGM batteries offer trusted reliability. DieHard's Platinum lithium-ion line is their most advanced offering yet in terms of starting power, lightweight design, and battery longevity.

Is the DieHard Platinum a good battery?

The DieHard Platinum scored a perfect 5/5 for battery life, CCA, and reserve capacity. With DieHard batteries now available at Advance Auto Parts stores and online, you can get an upgrade in durability and technology next time you need a new battery.

Are DieHard batteries UL certified?

Validated by UL as the first auto batteries made from a minimum of 94% recycled materials, DieHard Gold, Platinum & EV batteries are the reliable, durable, powerful and sustainable choice. 3 Year Free Replacement Warranty.
