

# Go solar power reviews

## Overview

---

Is gosolar a good company to install solar panels?

Go Solar is overpriced and the customer service is lousy. I would not recommend them if you are contemplating installing solar panels.

Who is go solar power?

Go Solar Power conducts each and every client engagement with Honesty, Integrity, Reliability, and a “Do the Right Thing” mentality. This culture of excellence permeates the actions and attitudes of our Team Members. Our parent company, Service Experts, is the leading installer of HVAC and Hot Water Heater systems in the country.

Is go solar a good company?

Go Solar offered the best deal and sized my panels for my demand. They have followed up with me, upgraded my equipment at no charge and removed and reinstalled the panels for roof replacement. They are very reputable and customer friendly.

Should you buy a Go Power Solar System?

Here are a handful of the reviews we’ve found to support our claims that you might think twice before choosing Go Power for your solar products. Lenn, who purchased a Complete Solar and Inverter System from Go Power on Amazon, said, “Initially loved the product, all in one design, easy to operate.

Does Go Solar Power offer a warranty?

Go Solar Power offers extensive warranties on all their products. The company uses Hyundai, Suntech and Trina solar panels and SMA inverters. Customer testimonials for Go Solar Power are available.

Why should you choose GoSolar Power?

GoSolar Power is not just about purchasing a product; it's about investing in a brighter and more sustainable future. The process with GoSolar Power was straightforward, and the representative was professional and took care of all requests in an outstanding manner. Customers are very happy with their Tesla / solar panel system from GoSolar Power.
