## Gtm research energy storage team

---

Our Lifepo4 batteries can be connected in parallels and in series for larger capacity and voltage.

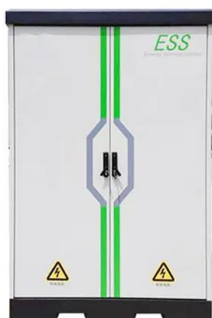

### US Energy Storage Market Grew 243% in 2015, Largest Year on ...

The U.S. energy storage market just had both its best quarter and best year of all time. According to the GTM Research/Energy Storage Association's U.S. Energy Storage Monitor 2015 Year in

### The Energy Storage Data Hub: A Nationwide Data Set of Storage ...

Last week, I got together with Daniel Finn-Foley, senior analyst on GTM Research's energy storage team, and Nick Burleigh, GTM data services manager, to talk about how the GTM U.S. Energy Storage

### Tracking the trajectory of the global energy storage market

Ravi Manghani, lead author of the report and energy storage director at GTM, explains that innovative market design is crucial for the success of energy storage.

### Energy Storage Association and GTM Research Partner on US Energy

GTM Research, a leading market intelligence and consulting firm focused on the transformation of the global energy industry, and the Energy Storage Association (ESA), the U.S.-based trade

### Greentech Media's integration with Wood Mackenzie

Wood Mackenzie acquired Greentech Media in 2016 and in 2019 integrated the GTM research practice into our ever-expanding Power and Renewables research team. Since ...

### GTM: US energy storage growth continues and could reach 2GW ...

The US could reach 2,081MW of annual deployments by the year 2021, the team led by GTM director of energy storage, Ravi Manghani, wrote. This >2GW annual market ...

LFP 12V 100Ah

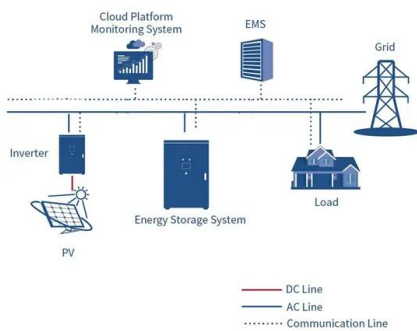

### Global Energy Storage to Double 6 Times by 2030, ...

This rapid global growth rate tracks well with the U.S. energy storage market forecast from GTM Research, which projects a twelvefold growth in the U.S. alone between 2016 and 2022, to reach 7.2

### Distributed Energy Poised for 'Explosive Growth' on ...

GTM Research has been tracking the rapid growth of rooftop solar, small-scale combined heat and power (CHP) systems, residential smart thermostats, electric vehicles and behind-the-meter batteries

### German Energy Storage Market to Reach \$1B by 2021

According to a new report from GTM Research, The German Energy Storage Market: 2016-2021, Germany's energy storage market will grow elevenfold in megawatt terms between 2015 and 2021 to reach an

### Former Head of GTM Research Joins Energy Impact Partners to ...

Energy Impact Partners (EIP) today welcomed Shayle Kann, the former head of GTM Research, as its new Senior Vice President of Research and Strategy. In this role, Mr. Kann will work with EIP's strategic partners, portfolio companies and investment team to produce market intelligence that will support strategic development, identify portfolio opportunities and ...

51.2V 300AH

### Research: 5 Companies Positioned to Succeed in Grid-Scale ...

GTM Research has published the results of my research in a special report, Grid-Scale Energy Storage Opportunities in North America. Based on my research, the following five companies ...

## US Energy Storage Deployments Up 46 Percent ...

Source: GTM Research / ESA U.S. Energy Storage Monitor, Q4 2017 "Energy storage is increasingly acknowledged in utilities' long-term resource planning across the country," said Ravi Manghani

## [Energy Storage Summit 2020](#)

Join Wood Mackenzie's industry-leading research practice as we engage with the key voices in energy storage. A Wood Mackenzie Business news Research Squared Events Sign up Log in GTM members benefits:

## GTM Storage Focus: Longer Battery Life, Lower Operational Costs

GTM Focus is a free-to-attend 90-minute virtual series covering the most pressing challenges and opportunities in clean energy. Wood Mackenzie's Energy Storage research team

## GTM Research Roundtable: How Storage Helps C& I Customers ...

Olivia Chen GTM Research: Large consumers of energy have traditionally participated in demand response programs. With the proliferation of DERs, such as on-site energy storage, C& I energy

### GTM Forum: Wind & Storage

Dan is the head of the Energy Storage team at Wood Mackenzie (formerly GTM Research), where he focuses on front-of-the-meter energy storage applications. He previously worked as a Senior

### Stories That Defined the Global Energy Storage Market in 2017

Mitalee Gupta, energy storage analyst at GTM Research, said: "In 2017 alone, more than 75 gigawatt-hours of new battery manufacturing has been announced globally, most of which is expected to

### GTM Storage Focus: Longer Battery Life, Lower Operational Costs

GTM Focus is a free-to-attend 90-minute virtual series covering the most pressing challenges and opportunities in clean energy. Wood Mackenzie's Energy Storage research team will

### gtm research Archives

The US is expected to remain the world's biggest market for energy storage until 2022, with China its closest rival, GTM Research has said. US installs 10.6GW of solar in 2017, says GTM March 15

## Power & Renewables Energy Research , Wood ...

Power & Renewables Accelerate the move to clean energy with low-carbon intelligence connecting assets, markets, and companies. Metals & Mining Access reliable research and analysis within and across the metals and mining ...

## Energy Storage on the Grid Edge , Greentech Media

GTM Research's recent report, Grid-Scale Energy Storage in North America 2013: Applications, Technologies and Suppliers, makes clear that most grid-scale storage applications "lack the right

## Clean Tech & Renewable Energy News , Greentech Media

Greentech Media delivers renewable energy news. Our solar, wind, energy storage, power utility and grid edge market analysis and conferences inform and connect players in the global clean tech

## [U.S. Energy Storage Monitor](#)

U.S. Energy Storage Monitor is a quarterly publication of GTM Research and the Energy Storage Association (ESA). Each quarter, we gather data on U.S. energy storage deployments, prices, policies, regulations and business models. We compile this

### GTM Research: Global Solar PV Installations Grew 34% in 2015

According to preliminary numbers from GTM Research, 59 gigawatts of solar PV were installed globally in 2015, a 34 percent increase over 2014's total. "The fourth quarter of 2015 showed that

### GLOBAL ENERGY STORAGE: 2017 YEAR IN REVIEW AND ...

Ravi Manghani is the Director of Energy Storage at GTM Research, where he focuses on global energy storage markets and value chain analysis. As an industry expert, Ravi has been quoted in

### Energy Storage: An Inside Look with GTM Research

GTM Research provides strategic, timely insight on the technologies, markets and business models shaping the future of the electricity sector. Brett Simon is an energy storage analyst at ...

### What Is Grid Edge?

GTM Research (now Wood Mackenzie) tracks deployments and investments in 10 separate markets along the Grid Edge, including advanced metering infrastructure, customer energy management, DER

### **GTM Research: US energy storage BOS costs to fall 41% by 2020**

Balance of systems (BOS) costs also make up a significant portion of the overall price tag of U.S. energy storage systems, according to a new report by GTM Research.

### **Behind-the-Meter Energy Storage Breaks Records in Q2: GTM Research**

Energy storage to reach 2.5 GW by 2022 All the interest, movement and growth in the U.S. energy storage market is further illustrated in GTM Research's predictions for future deployments. The firm asserts the U.S. energy storage market will grow to roughly 2.

### **GTM: US solar-plus-storage to become US\$1 billion industry by ...**

The US market for solar-plus-storage is predicted to grow more than twentyfold in the next three years, rapidly expanding from US\$42 million in value this year to US\$1 billion by 2018, according to GTM Research.

### **The new economics of energy storage , McKinsey**

Energy storage can make money right now. Finding the opportunities requires digging into real-world data. Skip to main content The new economics of energy storage August 18, 2016 , Article Paolo D'Aprile John Newman Dickon Pinner
