

Haier Energy Storage Box Air Conditioner

Overview

What features are included in a Haier AC unit?

Features such as embedded Wi-Fi, defrost cleaning and high temperature sterilisation often included as standard with single-split indoor units. Haier produce 27 million AC units every year from eight production facilities in China and another eight around the world.

How many Haier AC units are produced a year?

Haier produce 27 million AC units every year from eight production facilities in China and another eight around the world. As a Haier distributor, we can provide expert advice on any single-split, multi-split, light commercial or VRF air conditioning system, including system design and heat load calculations.

Who are Haier air conditioners?

Haier are one of the world's largest AC manufacturers, producing over 27 million air conditioning units every year - and offering an impressive combination of technical excellence, quality production and competitive pricing. We go beyond the basic requirements of any project.

Is Haier a good brand?

One of the world's largest air conditioning brands, Haier offers everything you might want from an AC system but at a surprisingly competitive price. Features such as embedded Wi-Fi, defrost cleaning and high temperature sterilisation often included as standard with single-split indoor units.

What services does a Haier distributor offer?

As a Haier distributor, we can provide expert advice on any single-split, multi-split, light commercial or VRF air conditioning system, including system design and heat load calculations. All wall-mounts include Wi-Fi for remote control - by smartphone app, Google Assistant or Amazon Alexa.

How do I contact Haier technical support?

Technical support is available for all Haier systems. To contact our technical team, call 01483 869069 or email technical@hawco.co.uk Want to discuss a project?
