

How long can the lockers in the examination room be stored

Overview

What if lockers are not available during the exam?

If lockers are not available, you can have the candidate place belongings in a locked room or lock the items in the administrator's desk during the exam. Center-owned, locked backpacks work well for storage. Candidates know their belongings are safe at their feet, but they cannot access them during the exam.

How do I store exam papers?

As soon as your question papers have been delivered and signed for, they must be passed immediately to the Exams Officer, who will check to ensure all required materials have been received. Exam papers must then be locked away in your secure storage facility.

What are The JCQ rules for storing exam papers?

Explains JCQ rules around the storing and handling of exam papers that centres are required to follow. How do I store exam papers?

As soon as your question papers have been delivered and signed for, they must be passed immediately to the Exams Officer, who will check to ensure all required materials have been received.

Can you lock a backpack during the exam?

Center-owned, locked backpacks work well for storage. Candidates know their belongings are safe at their feet, but they cannot access them during the exam. You can unlock the backpack after a candidate returns the erasable noteboard and pen.

How should question papers be stored?

Question papers must be stored unopened in a place of high security, ideally a strong safe. Schools must keep the safe (or suitable alternative container) in a

securely locked room with access and key holding restricted to only two or three authorised persons.

How secure are JCQ examination materials?

The JCQ insists that examination materials must be stored securely at all times and that centres demonstrate that the appropriate security systems are in place. The secure storage process begins once examination materials arrive in your school.
