

How to inquire about the price and installation of photovoltaic panels

Overview

Simply type your postcode into the box below and select one or many local and national, trusted solar panel installers and ask them for a quotation. What costs should you consider before installing solar panels?

There are two other potential costs you should look into before installing solar panels, these are maintenance costs and repair costs.

How much does a solar panel cost in the UK?

The average cost of a solar panel system for a typical three-bedroom house in the UK is £9,600, including a battery. ☐Solar panels can save you up to £1,014 annually, totalling nearly £30,000 of savings over their lifespan. ☐Adding a solar battery can boost your energy savings by up to 90 per cent.

How much does a solar panel cost per kilowatt?

Exactly how much a solar panel costs per kilowatt depends on the type of solar panel you're talking about. Monocrystalline solar panels are the most expensive, and their cost per kW is somewhere around £1,000 - £1,500 whereas polycrystalline solar panels cost about £900 per kW.

How much does a solar PV installation cost per kilowatt?

The mean average cost per kilowatt of a small solar PV installation (0-4kW) is above £2,000 for the first time since these records began in 2013/14. Prices for larger solar installations (4-10kW) increased even more dramatically - by 31% since 2021/22.

How to install solar panels in the UK?

You will also need a roof or an array that faces South, as it is the best angle for solar panels in the UK. While other directions can still make use of adequate sunlight, you may not get maximum utility from your installation and your payback period will be longer. Similarly, the zone around the solar panels needs to be unobstructed by shade.

Do you need a solar panel installer?

If you're already sold on solar panels, then go right ahead and find a trusted solar panel installer to help you harness the power of the sun. You'll only find trades who meet our high standards and pass our quality checks on Checkatrade. How much do solar panels cost?

The cost of solar panels per kW system vary.
