

# **I want to add WeChat State Grid**

## Overview

---

How to design a wechat article?

Keep in mind five key aspects for designing appealing WeChat articles. Make sure that your post focuses on the essential message, uses images (but no text on the images), and appeals to an audience who scrolls rather than reads (repeat, use emojis, highlight text).

How to create a WeChat group?

That's ok, most new WeChat users don't have any group, at least you can set up one for your own. Here are the steps: Taping "+" icon and then Tap "New Chat">"Join Private Group" then, set up a code, after that click on "Join this group".

How to create a list on WeChat?

Another less known function of WeChat is the list creator. It comes in handy when you wish to collate information from a group, for instance, gauging the attendance of a particular event or buying milk tea for an entire department. Simply type '#[] jiē lóng' in the text box and select 'Group Note' to start a list.

How do I add a user to a wechat account?

First, you can search for a user by entering their phone number or WeChat ID in the space provided at the top of the screen. You can also add a user by scanning a QR code from their phone. To do this, simply select the "Scan QR Code" option from the menu. Then, position their QR code within the square in the center of the screen, and voila!.

How do I create a WeChat post?

To get started, first create a new Xiumi account, where you connect your WeChat business account details. You only need an email address, but no Chinese phone number or business registration. Next, to create a new post,

click on . This process is pretty straightforward. Choose from one of many design templates.

How do I sign up for WeChat?

Download the WeChat app from the App Store. Watch out for potential copycats: the app's name is WeChat and it looks like this in the App Store: After the app is downloaded, open it and click "Sign Up." Type your phone number into the appropriate field.
