Overview

Blue Raven Solar has an employee rating of 4.1 out of 5 stars, based on 1,028 company reviews on Glassdoor which indicates that most employees have an excellent working experience there. How many Blue Raven solar reviews are there?

. Glassdoor has 914 Blue Raven Solar reviews submitted anonymously by Blue Raven Solar employees. Read employee reviews and ratings on Glassdoor to decide if Blue Raven Solar is right for you.

Is Blue Raven a good solar installer?

It began as a startup in 2014 and has since grown into a reputable solar installer. Blue Raven has a smaller service area than other providers, but intentionally limits its presence to states with established solar incentive programs. Its smaller service area also allows it to provide more quality customer support.

Does Blue Raven solar offer energy savings?

To further savings, Blue Raven Solar includes a complimentary energy-savings kit for all customers. This kit consists of a smart thermostat and an LED light package, enabling customers to reduce their heating and cooling expenses by an average of 20 percent annually.
