Introducing the Jacob & Co. Astronomia Solar Watch,With Rotating

It was just about three years ago that Jacob & Co. unveiled its first Astronomia watch -- with a view of the sky on the wrist. Since then, the brand has evolved the Astronomia line time and again with sophisticated versions -- but it is the newest model- being released at BaselWorld 2017 that steals the limelight. The Jacob & Co. Astronomia Solar watch is a vision ...

Jacob & Co. Astronomia Solar Planets Zodiac 43.40MM

The Astronomia is the epitome of 21st century haute horlogerie and a globally recognized symbol of Jacob & Co watchmaking expertise. A world-first both in the boldness of its unprecedented concept and its entirely mechanical construction, the Astronomia has gone beyond impressive horological achievements and has been regarded as an outstanding multidisciplinary ...

Jacob & Co. Astronomia Solar Constellations Rose Gold

Celestial bodies and space exploration have long driven Jacob Arabo's creativity. In 2014, he translated his intimate passion into an ambitious timepiece concept. Astronomia is an unheard-of translation of astrophysics into watchmaking form. Astronomia Solar Constellations is a smaller, deeper and more intensely gem-oriented version of this planetary creation. The Astronomia ...
