

# Largest portable battery pack

## Overview

---

What are the best wireless portable chargers & power banks?

For Qi-compatible devices, we also have a separate guide to the best wireless portable chargers and power banks. The best replacement for your original charger is the Nekteck 60W USB-C GaN Charger. It's cheaper and smaller but just as powerful and reliable.

Which battery is best for power banks?

Anker is the best in part because it packs more power into its batteries at a lower weight. Its batteries charge faster than competitors. Its small Anker Nano battery has the best power-to-weight ratio of any battery on our list. Which brand is best for power banks in 2023?

Anker is making the best power banks right now by far.

What is the best portable power bank?

If you need the most portable power bank available, the TravelCard Plus is slim enough to fit in a large wallet, and it packs just enough power to finish the night in style. It even has USB-C and Lightning plugs attached for convenience.

What is the best portable charger?

Anker's well known for its lineup of power solutions, so it comes at no surprise that the Anker Prime 20,000 mAh power bank tops our list of best portable chargers. With its generous battery capacity, it's more than capable of charging small stuff like your phones and wearables — but it's also powerful enough to charge laptops too.

How much battery does a power bank hold?

We sought out power banks weighing 8 ounces (half a pound) or less, making them easy to carry around in a wallet, pocket, or bag. We preferred power

banks rated for at least 2,000 mAh and up to 10,000 mAh capacity, which tells you roughly how much battery life they hold.

What is the largest power bank?

The Lion Trek Power Bank (\$149) is the largest power bank on this list in both size and capacity. At 2.1 pounds and 8.5 inches long, it takes some liberties with its self-described “portable” nature. Still, this power bank justifies its size with a massive 27,000 mAh capacity and a handy AC power outlet.
