

Latest warranty policy of JA Solar PV panels

Overview

What does JA Solar cover under this limited warranty?

the Claim Modules under this Limited Warranty. JA Solar will only reimburse for expenses expressly stipulated in this Limited Warranty. Costs and expenses associated with removal of the Claim Modules and the reinstallation of the repaired o.

What are JA Solar modules?

1. Definition of Modules: Modules are defined in this Limited Warranty as photovoltaic solar modules manufactured by JA Solar or its authorized manufacturers, legitimately bearing “JA Solar” brand, that are of the following product types: Mono-crystalline single glass products:.

What is JA Solar's liability?

JA Solar shall have no responsibility or liability whatsoever for damage or injury to persons or property, or for other loss or injury resulting from any cause whatsoever arising out of or related to the MODULES, including, without limitation, any defects in the MODULES or from use or installation. 5. Obtaining Warranty Performance.

Can JA Solar reject a warranty claim?

Where JA Solar exercises the right to reject a warranty claim under this provision, the Customer may pay the outstanding payment to JA Solar to get the claim accepted. If Customer was not the debtor, then after the Customer pays the outstanding payment, it can assert a claim against the actual debtor.

Are warranty claims honored if a ja module is broken?

3.4 Warranty claims will not be honored if the type or serial number of the MODULES have been altered, removed or made illegible. 3.5 Any module with glass broken is out of the guarantee, because all JA modules have passed the

certification of IEC61215. JA SOLAR HOLDINGS CO.,LTD.

What if a model is returned to JA Solar?

If the MODULES will be returned to JA Solar for inspection, repair or replacement by JA Solar, JA Solar shall provide the Customer with a Return Merchandise Authorization (RMA). However, JA Solar will not accept a return of any MODULES without such RMA.
