

Lifetime power lift portable basketball system model 90228

Overview

What is a lifetime adjustable basketball system?

For a complete and customizable basketball experience at your home, try the Lifetime Portable Adjustable Basketball System. Move it anywhere you need it—yard, driveway, or home court—with an easy-to-transport base that fills with sand or water to become stable and reliable.

What is a lifetime basketball system?

This portable basketball system from Lifetime Products features a 52 inch Steel-Framed Shatterproof tinted backboard with a Power Lift® height adjustment mechanism that adjusts from 7.5 to 10 feet high in infinite height increments. The new Clearview Backboard eliminates backboard braces to increase stability and target visibility.

Why should you buy a lifetime portable basketball hoop?

Guests appreciate the Lifetime Portable Basketball Hoop for its durability, adjustable height, and excellent customer service. While assembly can be challenging, the detailed instructions and responsive support team make it manageable.

How easy is it to assemble a lifetime hoop?

It was relatively easy to assemble by following the instructions. We filled the base with water rather than sand and it's been very stable even though storms. The adjustable height is a great feature and the locking mechanism works really well. After a few months use the hoop broke at the lower weld but Lifetime sent me a replacement, no problems.
