

Lowes recycle lithium batteries

Overview

Recycle your old removable and rechargeable battery (of any brand) at a Lowe's in-store recycling bin. Because these batteries can combust, it is critical that you cover the positive terminal on the battery (marked with a + sign) with electrical or duct tape and place in the kiosk. Does Lowe's recycle rechargeable batteries?

In 2018 alone, Lowe's recycled nearly 728,000 pounds of rechargeable batteries from 1,726 sites. You can help celebrate National Battery Day, and responsibly recycle your rechargeable batteries any time, by dropping them off at a Lowe's recycling center at any store in the continental U.S. To find the nearest store, visit .

Does Lowe's recycle CFL & batteries?

Lowe's stores in Canada also feature recycling centers to ensure CFLs and batteries are responsibly recycled. The products are safely shipped to recycling facilities to process and reclaim materials that are used to make new products.

Does Lowe's have a recycling center?

Lowe's has announced that it has installed recyclables collection centers at close to 1,700 of its stores in the continental United States. Lowe's says that the recycling centers will offer a convenient and free way for customers to recycle rechargeable batteries, cell phones, compact fluorescent lights (CFLs) and plastic shopping bags.

Where can I recycle a Kobalt battery?

Depends on the type of battery. Rechargeable batteries (those found in your Kobalt cordless drill, for example) can be recycled at certain retailers, including Lowe's. Simply follow the instructions at the Recycling Center (usually found near the front of a Lowe's store) for proper rechargeable battery recycling.

Where can I recycle a battery?

Businesses including Home Depot, Lowe's, and Staples have electronics recycling programs that accept batteries and other e-waste at stores across the country as well. Some Best Buy locations take batteries, too. Earth911 and Call2Recycle have tools to help locate recycling drop-off points, allowing you to search for collections by battery type.

Does Lowes recycle light bulbs?

Here, check them out: Compact fluorescent light bulbs. If you have any of these items and want them recycled, please take them to Lowe's for recycling. The company will gladly take them from you. How does Lowe's recycling program work?

As we mentioned right from the get-go, Lowe's has one of the most robust recycling programs we have come across.
