

Mobile ESS unit cost vs benefit calculation in New Zealand

Overview

How is the value of an ESS benefit calculated?

The value of an ESS benefit is calculated on the share scheme taxing date. This is the earlier of the following dates: The date the employee (or associate) beneficially holds the shares and there are no conditions or protections under the scheme that would defer the taxing date.

How is ESS taxed in New Zealand?

In New Zealand, the taxation of ESS is governed by the Income Tax Act 2007, with specific rules that benefit startups. For 2025, tax advantages remain a key incentive for employees taking part in an ESS. Generally, employees who purchase options under an ESS benefit from the following tax advantages:.

How is an ESS benefit taxed?

An ESS benefit is treated as income for the employee or shareholder-employee, even if the benefit is provided to an associate. The value of an ESS benefit is calculated on the share scheme taxing date. This is the earlier of the following dates:.
