

Ny energy storage rfp

Overview

Are energy storage systems regulated in New York?

Energy storage technologies and systems are regulated at the federal, state, and local levels, and must undergo rigorous safety testing to be authorized for installation in New York. You can download NYSERDA's New York State [PDF] and New York City [PDF] factsheets to learn more about energy storage regulations and safety in your community.

What is New York's energy storage roadmap?

The Roadmap proposed a comprehensive set of recommendations to expand New York's energy storage programs to cost-effectively unlock the rapid growth of renewable energy across the State and bolster grid reliability and customer resilience.

Does NYSERDA issue an annual RFP?

Incremental Economic Benefits Reporting Standards and Agreed Upon Procedures Report [PDF] NYSERDA will issue an annual request for proposals (RFP) for Tier 1 RECs under long-term contracts. If NYSERDA does not meet the designated target of RECs outlined, a second RFP will be issued in the same year.

What is New York state's energy storage goal?

This Order formally expands the State's goal to 6,000 Megawatts of energy storage to be installed by 2030, and authorized funds for NYSERDA to support 200 Megawatts of new residential-scale solar, 1,500 Megawatts of new commercial and community-scale energy storage, and 3,000 Megawatts of new large-scale storage.

What does resrfp24-1 stand for?

NYSERDA has launched the eighth annual Renewable Energy Standard (RES) request for proposals, RESRFP24-1, to continue accelerating progress toward

Governor Hochul's target of generating 70 percent of New York State's electricity from renewable sources by 2030.

What is the resrfp24-1 Step 2 bid proposal deadline?

NYSERDA has garnered competitive interest in RESRFP24-1 Step Two Bid Proposals, the deadline for which was August 8, 2024. NYSERDA received bids from 38 projects, comprising 3.5 gigawatts (GW) of capacity. NYSERDA is evaluating the bids and intends to make public versions of the bids available on NYSERDA's website.
