Overview

Who is photon energy group?

We are also an independent power producer with a growing portfolio of PV power plants. As part of Photon Energy Group, we are committed to a shared vision of a world where clean energy, water and environments are accessible to all. By submitting my email address, I accept the terms and conditions of Photon Energy Group's Privacy Policy.

What is photon energy?

Clean energy and water. The fundamentals of life. Photon Energy Group is a group of companies with a shared mission: making clean energy, clean water and clean environments accessible to all. Photon Energy and Lerta provide comprehensive renewable energy solutions, including solar power and energy flexibility.

Where is photon energy listed?

Photon Energy N.V., the holding company for Photon Energy Group, is listed on the Warsaw, Prague and Frankfurt Stock Exchanges, as well as XETRA, Germany's leading online trading platform. Photon Energy Group is headquartered in Amsterdam, with offices in Australia and across Europe.

What is photon energy & LERTA?

Photon Energy and Lerta provide comprehensive renewable energy solutions, including solar power and energy flexibility. Photon Water offers water treatment and management solutions, and our remediation technology removes contaminants from water and soil.

Is photon energy a publicly traded company?

We add eight new PV power plants to our Romanian portfolio, with a total capacity of 31.5 MWp. We are committed to the highest ESG standards in all of our practices, on every scale. A publicly traded company, Photon Energy

N.V. is listed in Warsaw, Frankfurt and Prague, as well as online trading platform Xetra.

What is photon energy's financial outlook for 2024?

The Group has released its full-year 2024 financial guidance, forecasting 2024 revenues to fall between EUR 90 and 100 million and 2024 EBITDA in the range of EUR 16 to 18 million. Amsterdam - 17 May 2024 - Photon Energy N.V. (WSE: PEN, "Photon Energy Group", the "Group" or the "Company") announces financial results for the first quarter of 2024.
