

Portable solar power costco

Overview

Does Costco sell a solar generator?

First, Costco sells the Costco-member-only, tried-and-true Goal Zero Yeti 3000X + Nomad 200 solar generator kits. Equipped with a 3000-watt-hour battery and a 200-watt solar panel that can recharge the power station when the power is out, these kits are portable and ideal for emergency situations, camping, and off-grid events.

Can you go solar through Costco?

There are two very different ways to go solar through Costco: portable solar generator kits and complete, professionally-installed rooftop solar systems via Sunrun. The first is to purchase portable solar equipment from Costco that can travel with you and/or serve as an emergency power source at home.

Does Costco sell solar panels?

Costco also sells the Lion Energy Safari ME MAX Energy Kit, which includes a solar generator, expansion pack, an inverter, and 6 100-watt 24-volt solar panels. These kits are intended for charging electronic devices, operating LED lights, and other small-scale home and RV or boat needs.

What Solar Options does Costco offer?

The second solar option for Costco customers is a complete residential solar system from one of the nation's largest solar providers, Sunrun. With this option, Sunrun provides customers with high-quality solar equipment, professional installation, warranties, and system monitoring â with the added perk of Costco shopping benefits.

Where can I buy portable solar equipment?
