

Reliant solar installation company

Overview

What is Reliant Energy?

Reliant Energy is one of the most popular and trusted retail energy service providers in Texas, serving more than 1.5 million Texans in over 50 cities. Reliant Energy offers an exclusive electricity rate, Simple Solar Sell Back, for homeowners who install solar through Reliant's Solar Energy Experts and partnered installers.

What is Reliant Energy's make it solar program?

Reliant Energy's Make It Solar program supports clean, renewable energy, no panels required. House or apartment, own or rent — it's easy to Make It Solar.

Can Reliant install a solar system?

Reliant, a trusted source of power for homes and businesses throughout Texas, wants to help you get in on it. Start with a free assessment of your home with a Solar Energy Expert, and have all your questions answered. Afterwards, a preferred Reliant installation partner will install your solar system.

Is Reliant Energy a good solar provider in Texas?

Reliant Energy was once one of the best Texas electricity providers for solar homeowners due to their full-retail net metering offer. However, this has changed, and solar savings with Reliant are now lower than before. Reliant Energy's Simple Solar Sell Back plan is still one of Texas's best solar buyback plans.

Why should you choose Reliant solar?

Solar array. Exclusive introductory electricity plan. All made easy with Reliant. Rooftop home solar is causing an energy revolution across the country. Solar panels deliver the sun's abundant energy to your home and help lower your electricity bills. Best of all, this clean, renewable power avoids the carbon

footprint of other fuels.

Does Reliant offer a solar payback plan?

If you already have solar panels, Reliant has renewable electricity plans that can help you make the most of your solar power. With the Reliant Solar Payback Plus plan, you'll receive bill credits when your solar panels generate excess energy and return it to the electric grid. 2
