

Roamer lithium battery

Overview

What is a roamer battery?

For continuous power for non-stop adventures, say hello to Roamer - the next generation in SMART 12v and 24V LiFePO4 leisure batteries for campervans, boats and off grid life. Equal parts power, intelligence and reliability - managed with a smartphone app that puts the power in your hands. 10.
+++++

Which Roamer battery should I buy?

Roamer mainly sells batteries, and their other products include: We've mostly been talking about the 12V version, but Roamer's 24V lithium battery is just as excellent. Go for this model if your vehicle runs a 24V leisure system. Other than the double voltage, it has the same advanced BMS and case.

What is the Roamer 230SMART3?

The Roamer 230SMART3 is a compact LiFePO4 leisure battery with an internal Battery Management System (BMS), Active Balancing, and Bluetooth monitoring. It has a usable capacity of 230Ah and a continuous discharge rate of 250A (500A peak). This little powerhouse lets you run any domestic appliance up to 3200W.

What is a roamer 460smart4 battery?

The Roamer 460SMART4 is a high capacity 12V 460Ah LiFePO4 battery for install in a campervan or boat. Includes 300A continuous discharge, active balancing, Bluetooth and plug and play integration with Victron. Free delivery, Roamercare, 10 year warranty and 5 star support from the UKs leading LiFePO4 manufacturer.

Does Roamer make bespoke batteries?

Finally, it seems like we can't tie up this review without mentioning Roamer's expertise at making bespoke batteries. If you need a 24V or 48V battery, or

even customized casing to fit specific dimensions, they can cater to your needs. Previous projects include a 300Ah seat base battery and powerful 24V 1200Ah battery for a luxury yacht.

What is Roamer LiFePO4 Gen2 230ah seatbase battery?

Roamer LiFePO4 Gen2 230Ah Seatbase battery -- "How I Done It" -- Its a Lithium LifePo4, its got massive capacity @ 230Ah, its got massive discharge performance 250A/500A, its Bluetooth, its a Roamer !!, its exciting . . . its coming soon - the full test . . .
