Overview

Does Seagate Backup Plus desktop have a power adapter?

The LED turns on when the device receives power. Power adapters can vary by region. Therefore, make certain to only use the power cable included with your Seagate Backup Plus Desktop. Attaching third-party or other Seagate power cables with incorrect voltage can damage Backup Plus Desktop.

How do I connect my Seagate Backup Plus desktop?

Attach one end of the included power cable to Backup Plus Desktop and the other end to a working power outlet. The LED turns on when the device receives power. Power adapters can vary by region. Therefore, make certain to only use the power cable included with your Seagate Backup Plus Desktop.

Can I use a power cable on a Seagate Backup drive?

A: This would not be supported since it would require you to leave the drive loose inside the computer or leave the side of the computer open to plug in the power cable, both of which put your equipment at risk. The Seagate Backup Plus or GoFlex drive is designed to be flexible, so the cable module is interchangeable with several interfaces.

Does my Seagate Drive have a USB connection?

Important info regarding USB connections: Your Seagate drive is shipped with a SuperSpeed USB 3.0 cable to ensure maximum data transfer performance when connected to a compatible USB 3.0 port. The cable also works when connected to a USB 2.0 port, but drive performance is limited to USB 2.0 transfer rates.

Are Seagate Backup Plus & GoFlex cables interchangeable?

The Seagate Backup Plus or GoFlex drive is designed to be flexible, so the cable module is interchangeable with several interfaces. This article describes the modules. Seagate Backup Plus and GoFlex drives are designed to be

flexible; therefore the cable module is interchangeable with several interfaces. Below are examples of these cables.

Do Seagate products require external power supplies?

This article provides a list of power adapter specifications for most Seagate products that require external power supplies. Please use these specifications when replacing your adapter to ensure compatibility. *Data Deals effective for 24 hours only (Tuesdays 5:00 AM to Wednesdays 4:59 AM Pacific & Thursdays 5:00 AM to Friday 4:59 AM Pacific).
