

Seagate backup plus works without power adaptor

Overview

Power adapters can vary by region. Therefore, make certain to only use the power cable included with your Seagate Backup Plus Desktop. Attaching third-party or other Seagate power cables with incorrect voltage can damage Backup Plus Desktop. What voltage does Seagate Backup Plus use?

Most external drives uses 12 V as input voltage. You must log in or register to reply here. Seagate Backup Plus 3TB displays all empty folders, despite containing 2TB of data! Seagate Backup Plus Desktop Drive OVERHEAT?

.

Are DC plugs compatible with Seagate Backup Plus 3TB?

The DC plugs may not be compatible !! Most external drives uses 12 V as input voltage. You must log in or register to reply here. Seagate Backup Plus 3TB displays all empty folders, despite containing 2TB of data!.

What is the Seagate Backup Plus?

The Seagate Backup Plus is a back up drive that can do more than just regular local backups. It can also back up users' online contents, such as Facebook profiles. The drive is fast, flexible, and good-looking. The included backup software works well and is easy to use.

Which Seagate Backup hub should I buy?

Those who need a USB 3.0 hub with just two ports and a large hard drive can get away with the Seagate Backup Plus Hub, which is usually cheaper than the sum of its parts. In my case, the Backup Plus Hub comes with a Barracuda hard drive inside (8 TB, 5400 RPM, 256 MB buffer), but for ~15% less than the drive alone.

Can I use a wall adapter with a Seagate Drive?

The plug supplied by Seagate with it's Drive seems to be a very custom size

(WIERD !!). So the take away seems: Be very careful which substitute wall adapter you use on this particular Seagate Drive !!! The DC plugs may not be compatible !! Most external drives uses 12 V as input voltage. You must log in or register to reply here.

Is Seagate a good choice for a backup drive?

At the suggested price of \$140 for 1TB (or \$130 and \$120 for the 750GB and 500GB, respectively),* the new Seagate Backup Plus makes an excellent buy for those looking for a good-looking and compact portable drive to back up their computer or extend its storage space.
