Shonen power systems

What makes nen the best power system in all shonen?

That's why it's the best power system...not just in shonen, but anywhere. It's absolutely ridiculous. That was just two characters, and you could write multiple paragraphs just on what their abilities tell you about their characters.

So what is the worst power system in anime? : r/anime

The best power system is pretty easy to answer stands from jojo I personally believe Nen is closer to being a perfect power system. It has the creativity of stands combined with "regular martial-arts" aspects, which opens up more storylines than regular stands.

[Best Power Systems in Anime](#)

Among the "big three" shonen anime (Naruto, One Piece, and Bleach) Naruto probably has the most fleshed-out power system. Shinobi in the Naruto-verse can manipulate life energy called 'chakra' and put it to various uses.
