About SKC

SKC eco-solutions was established as a split-off from SKC's photovoltaic power generation business. The company manufactures and sells Fluoride Film, EVA Sheet, Back Sheet and other products that are used in the production of photovoltaic modules.

PET film for PV, Photovoltaic, Application, PET Film

Film to Maximize Generation Efficiency of Solar Modules. Polyester films for solar cells are used to make backsheets that protect the back side of solar modules. The two main types are SW00L and SW30G. The weather-proof PET film, ...

[Household photovoltaic integrated machine](#)

Integrated energy storage solution, supporting 1-3KW output for different load devices. On the basis of the original cabinet design, the stacked solar energy storage lithium battery has a capacity of 960Wh~7168Wh and is equipped with a built-in battery protection

SKC

SKC's film is highly acclaimed by clients as it has excellent transparency, uniform thickness, whereas PET film and fluorine film constitute the 'backsheet' that protects the back of the solar photovoltaic powder generation module. 4PET Film Maker with more

[About-Jiangsu SKC Intelligent Co., Ltd](#)

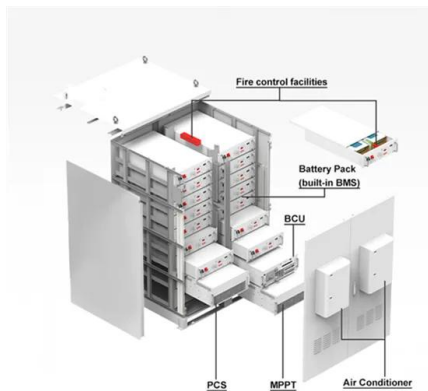

Jiangsu Huashu Qiaoneng Intelligent Equipment Co., Ltd. (SKC) has a registered capital of 300 million euros. It is a national strategic high-tech enterprise composed of robots, CNC systems, intelligent equipment, and intelligent software. It has high-level R& D and

Solar BIPV-Jiangsu SKC Intelligent Co., Ltd

We will give you a detailed introduction to Solar BIPV product content, including Solar BIPV uses, models, ranges, pictures, etc. Here you can learn all Solar BIPV news and the latest market Solar BIPV prices. Consultation phone number:+86-138-6166-6996

SKC

SKC CEO Wan Jae Lee, "SKC is like a spaceship that has just been launched. Acceleration is needed to break free of earth's gravitational pull and set into its proper course" (Hankyung economic daily on March 31, 2020)CEO Special - Wan Jae Lee, SKCAn innovator, transitioning a chemical company into a mobility material company????=??? ?? ...
