

Solar booster pump in zambia

Overview

Where can I buy a solar pump in Zambia?

Finecop Zambia: Stocks centrifugal, vertical turbine, submersible and vacuum pumps for various applications. Radian Online: Retails solar pumps, submersible pumps, and accessories from brands like Dayliff and Pedrollo.

What is a solar pumping system?

Particularly a range of competitive, high specification solar pumping systems have been developed for smaller scale applications which are based on robust submersible solar pumps specially designed for PV powered water supply from wells and boreholes. Together with the pump all systems include:-.

Why should you choose dayliff for solar pumping?

Solar pumping is now firmly established as the technology for water supply in remote off-grid applications and also as the costs reduce increasingly for general pumping duties. Dayliff have been leaders in the technology since the birth of the industry and today offer a huge range of options for every solar pumping requirement imaginable.
