### Solar panel holder for the balcony

Since winter is coming, I had to change the angle of the solar panels on the balcony again. The winter slope is set to 65 degrees. So I created a simple holder for solar panels that is easily mounted on the balcony. The solar panels simply slide in and the bracket is mounted on the railing. The size of the handrail is 60 mm long and 40 mm high. The TPU rubbers are then used ...
