Overview

Lorde is not bothered by your opinion of Solar Power, at least not anymore. In her latest newsletter dispatch, the singer celebrated the album's anniversary and talked about receiving negative reviews. "It's been a year since I announced the release of Solar Power," she wrote.

Solar power lorde bad

Lorde Solar Power review: Satirical, basic, corny, or "just cringe"?

With the release this week of Lorde's third album, Solar Power, it's clear that New Zealand pop auteur Ella Yelich-O'Connor was onto that cultural mood well ahead of the ...

Lorde Solar Power review: Satirical, basic, corny, or "just cringe"?

Back then, in 2017, I guessed that Lorde might not sustain her engagement in the pop-star game for long; Solar Power finds her in the process of making her exit, though she's not fully out the door.

Lorde

Throughout the album, Lorde shuns negative feelings by spending time in the sun, away from the camera flashes and the news cycle. For an artist who often revels in big emotions and excels at melodrama, her return to the spotlight is intentionally low-key - a cooling balm put on a scab to stop you from picking at it.

Lorde

"Solar Power" is the latest single from New Zealand singer-songwriter Lorde (Ella Yelich-O'Connor) after a five-year hiatus from music. "Solar Power" is an upbeat summer pop lead single from Lorde's upcoming third studio album of the same name. "Solar Power" was

[?Solar Power by Lorde on Apple Music](#)

Solar Power might well be seen as just that: an album to kick back with on a summer's day. But there is, as Lorde puts it, "deep and shallow" to this record. There are meditations on celebrity culture ("California") and the wellness industry ("Mood Ring"), alongside sorrow for the destruction of the natural world.

Read All The Lyrics To Lorde's New Album 'Solar Power'

Just about four years after the release of her Grammy-nominated sophomore album, Melodrama, Lorde is back with her third studio album, Solar Power. The 12-track project is produced entirely by

Lorde's New Album 'Solar Power' Is Deeply Uncool

But, like, in a cool way. This isn't an album made to fulfill anyone's expectations. 'Solar Power' is a weird, meandering album that is an exercise solely in fulfilling Lorde's own desires. And good for her! For Lorde, following up her 2017 sophomore album, Melodrama, was always going to be an impossible task.

[2 Weeks Later In Depth Discussion: Lorde](#)

1. The Path Great opener! Hopefully the boring theme of "I don't want to be famous" will be executed in more interesting ways on the rest of the album, like how Lana did it on NFR and Chemtrails. 8/10
2. Solar Power It's giving razor ad. Unlistenable. I can't take it
