

Solar power made easy

Solar power made easy

[Solar Made Simple , Solar Basics and more](#)

Solar made simple? OK, we admit, solar power can get pretty complex depending on what your goal is. But in this post, we try to simplify the initial important concepts that will help you get up to speed and make better informed decisions on going solar. So

[How the Energy Made Easy plan search works](#)

If you have solar panels, we can also identify your solar export/feed-in (or 'generation') and calculate estimated solar feed-in credits paid by an energy company where these are available on a plan. This option will result in the most personalised estimated energy plan costs, as these will be based on precise historical usage for your household or small business.

INTEGRATED DESIGN

EASY TO TRANSPORT AND INSTALL,
FLEXIBLE DEPLOYMENT
