

Sole fitness company info

Overview

Manufacturer and retailer of fitness equipment catering throughout North America as well as abroad. The company offers treadmills, ellipticals, exercise bikes, rowers and climbers, thereby enabling its clients to ditch their gym membership for working out at home or start a small gym of their own. Who is sole fitness equipment?

SOLE has been providing gym quality exercise equipment to North America and abroad for decades, solidifying our name as a premier fitness equipment provider. As we continue to expand our presence globally, adding new international dealers regularly, we never forget our roots.

Is sole fitness a good company?

Sole Fitness is a highly rated exercise equipment company that sells some of the most popular bikes, treadmills, and ellipticals. Sole has an extensive line of equipment at various price points and is one of the most generous warranties in the industry.

What is sole fitness?

From basements to living rooms, SOLE Fitness manufactures cardiovascular fitness equipment designed to withstand the rigors of a home workout, combining innovative product design with tried-and-tested durability.

Does sole have a fitness center?

SOLE has the treadmills, ellipticals, and exercise bikes to make any fitness center complete, regardless of whether that's in your basement or in your gym. Preferred by hotel's In Room Fitness programs, SOLE equipments has received numerous "Best Buy" reviews from the most reputable consumer review sites and magazines.

Does sole fitness offer a warranty?

Sole Fitness also offers a remarkable warranty on all products along with a

30-day guarantee which is a reflection of its commitment to excellence. If you are in the market for an exercise bike to add to your home gym, Sole has six models to choose from including studio, upright and recumbent bikes.
