Overview

Is Sukam a good inverter?

With just one battery to get going, and a sizable 1.5kVA capacity that easily takes most essential load of an average family, the Sukam 1.5kVA/12V inverter is a blessing to users who fall into its target group. The Sukam Falcon Series inverter range is well-established as reliable, durable and delivering high performance.

Who is Su-kam Power Systems Limited?

We are Here to Help You! Su-kam Power Systems Limited is known to be a pioneer in providing renewable energy solutions.

Are Sukam Falcon series Inverters reliable?

The Sukam Falcon Series inverter range is well-established as reliable, durable and delivering high performance. It's wide acceptance is predicated on performance, reliability and durability. The Sukam Fusion Series inverters have a proven track record of dependability, proving, over time, to be worth the user's money.

What is Su-kam Power System Ltd?

Su-Kam Power System Ltd is a leading manufacturer of world-class inverters, online UPS, deep discharge batteries, solar modules, and power backup solutions. Based in India, Su-Kam has grown rapidly on the strength of its high product quality standards, making it a leading global manufacturer of power backup solutions.

Are Sukam Fusion series Inverters worth the money?

The Sukam Fusion Series inverters have a proven track record of dependability, proving, over time, to be worth the user's money. The Falcon+ 1.5kVA/12V is therefore running on familiar, tested and proven technology.

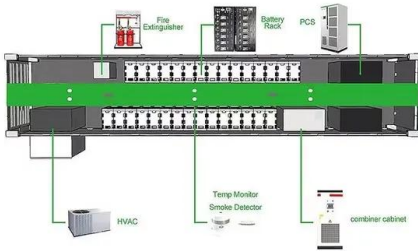

How a Su-Kam DSP sine wave inverter works?

AC to DC power. It will revert to mains with a hysteresis of 10 V. Reduces Inverter's Power Consumption In Su-Kam DSP Sine Wave Inverter the circuitry design reduces the power intake of Inverter when the battery is in pulse charge mode and evaporation of battery electrolyte is also minimised. Disconnect all the battery cables.
