

The lincoln project wiki

Overview

The Lincoln Project is an American political action committee (PAC) founded in December 2019 by moderate conservatives and former Republican Party members who oppose U.S. President Donald Trump and Trumpism. During the 2020 presidential election, it aimed to prevent the re-election of.

Before the 2020 electionThe committee was announced on December 17, 2019, in a by , , .

, which tracks money spent on politics, reported that the Lincoln Project raised \$87,404,908 and spent \$81,956,298 during the 2019-2020 election cycle. \$51,406,346.

The Lincoln Project achieved success in having its ads go and with its "nontraditional strategy of playing mind games with the president." said that the Lincoln.

Project co-founder Reed Galen has said some of the ads are meant for an audience of one: Trump himself. The Lincoln Project's feud.

The Lincoln Project produced a number of anti-Trump and pro-Biden television advertisements. The Washington Post columnist Jennifer Rubin called the project's ads "devastating for several reasons: They are produced with lightning speed, and thereby.

Democratic strategist praised the group for being more efficient and aggressive than Democratic PACs, saying: "Let me tell.
