## Overview

---

Who has the power of impeachment?

Article I, Section 2, Clause 5: The House of Representatives shall chuse their Speaker and other Officers; and shall have the sole Power of Impeachment. Vice President, and other federal officers—including judges—on account of treason, bribery, or other high crimes and misdemeanors.

What constitutes grounds for impeachment in the House?

The types of conduct that constitute grounds for impeachment in the House appear to fall into three general categories: (1) improperly exceeding or abusing the powers of the office; (2) behavior incompatible with the function and purpose of the office; and (3) misusing the office for an improper purpose or for personal gain. 18.

What does the constitution say about impeachment?

The Constitution bars the President from using the pardon power to shield individuals from impeachment or removal from office. Understanding the historical practices of Congress with regard to impeachment is central to fleshing out the meaning of the Constitution's impeachment clauses.

Who decides if a person is impeached?

In exercising this power, the House and the Senate have distinct responsibilities, with the House determining whether to impeach and, if impeachment occurs, the Senate deciding whether to convict the person and remove him from office.

Can the House impeach a person?

The House can impeach an individual with a simple majority of the present members or other criteria adopted by the House according to Article One, Section 2, Clause 5 of the U.S. Constitution. Most impeachments have involved alleged crimes committed while in office, but there is no requirement for the

misconduct to be an indictable crime.

Why is impeachment important?

Impeachment is one of the various checks and balances created by the Constitution, a crucial tool for holding government officers accountable for violations of the law and abuse of power. Responsibility and authority to determine whether to impeach an individual rests in the hands of the House of Representatives.

### [The Framers' Views on Impeachment](#)

The power of impeachment is a central feature of our democracy. The founders of our country and the framers of our Constitution gave the matter careful consideration. They would not have created the office of the Presidency nor would they have given the President sweeping powers without this necessary check and balance on the exercise of those powers.
