## Overview

---

The company was founded after World War I, when petrol was seen as vital in case of a new war with Germany. The then-French President rejected the idea of forming a partnership with in favour of creating an entirely French oil company. At Poincaré's behest, Col. , with the support of 90 banks and companies, founded Total in 1924, a.

Who is totalenergies?

TotalEnergies is a global integrated energy company that produces and markets energies. To be a major player in the energy transition, committed to carbon neutrality by 2050, together with society. Our employees, our innovations, our integrated business model, our geographical presence: all assets to help us achieve our ambitions.

What's new at totalenergies?

This new name and new visual identity embody the course TotalEnergies has resolutely charted for itself: that of a broad energy company committed to producing and providing energies that are ever more affordable, reliable and clean.

Where is totalenergies located?

TotalEnergies is also a large-scale chemicals manufacturer. TotalEnergies has its head office in the Tour Total in La Défense district in Courbevoie, west of Paris. The company is a component of the Euro Stoxx 50 stock market index.

What makes totalenergies a sustainable company?

Our 105,000 employees are committed to energy that is ever more affordable, clean, reliable and accessible to as many people as possible. Active in more than 130 countries, TotalEnergies puts sustainable development in all its dimensions at the heart of its projects and operations to contribute to the well-being of people.

Why is total transforming and becoming totalenergies?

Energy is reinventing itself, and this energy journey is ours. Our ambition is to be a world-class player in the energy transition. That is why Total is transforming and becoming TotalEnergies,” declared Patrick Pouyanné, Chairman and Chief Executive Officer of TotalEnergies.

Where is our total located?

Our Total is in Courbevoie, France, the headquarters of TotalEnergies. TotalEnergies SE is a French multinational integrated energy and petroleum company founded in 1924 and is one of the seven supermajor oil companies.
