

Trinity Solar Panel Company Profile

Overview

Founded in 1994, Trinity has grown into the largest privately-held residential solar installation company in the nation - employing more than 2,000 people and operating in communities across NJ, NY. Who is Trinity solar?

Trinity Solar is a solar and roofing installation company that serves most states on the East Coast. It has been in business since 1994, but was run as an HVAC-focused company until 2004, when solar became its focus. In that time, it has served over 830,000 families across the coast.

What can Trinity Solar do for You?

For over 30 years, Trinity Solar has provided custom solutions and outstanding service. Solar & batteries Get a home solar power system with battery storage for maximum energy savings, and protection during an outage. Explore solar & batteries Roofing Whether you just need a new roof or want to pair a new roof with solar, we can help.

How much does a Trinity Solar System cost?

The average cost of solar panel systems in the US is about \$16,000, with a range of \$4,500 and \$36,000. There are three ways to pay for a Trinity Solar installation system: \$0 Upfront: With this method, the homeowner leases the system from Trinity with zero money due upfront.

Does Trinity Solar have a BBB rating?

Trinity Solar's BBB status is not mentioned in the passage. However, it is stated that Sunnova Energy Corp lacks BBB accreditation and has received numerous complaints, leading to BBB alerts. No such information is provided about Trinity Solar.

What warranties does Trinity solar offer?

Trinity Solar's warranties are relatively basic. The company offers a five-year warranty on workmanship for any solar, roofing or battery backup

installations. The company also passes manufacturer warranties onto the customer, which usually covers the products for 25 years, but this depends on the brand and products chosen.

How do I report issues with Trinity solar?

To report issues with Trinity solar, you can contact the Federal Trade Commission, State Attorney General, and BBB. It is important to note that the leasing terms for your solar system with Trinity and Sunnova are quite extensive, meaning that for a period of at least two decades, possibly longer, you will be required to engage with these companies to fulfill your legal contract.
