

Turnkey photovoltaic ESS EPC contract price in Luxembourg

Overview

Who approves a turnkey EPC contract?

In projects where a turnkey EPC contract is signed, the design is only approved by the Asset Owner or the developer, and the EPC service provider is responsible for providing all the contracts and suppliers.

What is Engineering Procurement & Construction (EPC) in photovoltaics?

Engineering, Procurement & Construction EPC (Engineering, Procurement & Construction) in photovoltaics translates to a set of business practices and services which cover all stages in the realization of a photovoltaic plant and manage all the logistics and business and engineering aspects of the plant building process.

What is an EPC contract?

An EPC Contract delivers these requirements in a single integrated package, which is one of the major reasons why EPC Contracts are the most common form of construction contract used in project-financed utility-scale solar projects. The key clauses in any construction contract are those that impact on time, cost and quality.

What is a technical issue in an EPC contract?

EPC contracts are usually drafted including a fixed price clause which binds the parties to the total price agreed under the contracts. However, occasionally technical issue is the basis for a payment dispute, a technical third-party -agreed before in the contract negotiations - should make a judgement regarding the technical issue.

What happens if the EPC contract is uncertain?

Any uncertainty in the EPC Contract may unfortunately see the Contractor liaising directly with these third parties and possibly risking the relationship of the Project Company with key influencers, customers and long-term

neighbours.

What types of securities are available for EPC services?

Issuance of securities: These can take the form of advance payment bonds, performance bonds and warranty bonds, of 5-10 % of the contract price, to be delivered by the EPC service provider to secure the relevant payments of the relevant LDs or the performance of the relevant works.

Turnkey photovoltaic ESS EPC contract price in Luxembourg
