

Txu energy free nights solar days

Overview

TXU Free Nights & Solar Days Plan offers free electricity every night from 8:00 PM to 4:59 AM, meaning there will be no energy or delivery charges added to your bill during those hours. The plan provides a fixed rate throughout the 12 month term length, and the energy is sourced from 100% renewable electricity. What is TXU's free nights and solar days?

TL;DR: TXU's Free Nights and Solar Days is a unique plan that offers free electricity every night and solar credits during the day. It's perfect for those who can shift their energy usage to night hours and want to leverage solar power without installing solar panels. The Nitty-Gritty: How Does the Plan Work?

What is TXU free nights & solar days?

The TXU Free Nights & Solar Days plan is all about timing. From 8 pm to 5 am, you can use as much electricity as you want without incurring any costs. This is the "Free Nights" part of the plan. It's perfect for running your dishwasher, doing laundry, or cooling your home during the hot Texas nights.

Are TXU Energy charges free during night hours?

2 Energy Charges and TDU Delivery Charges per kWh are 100% free during night hours. TXU Energy purchases solar renewable energy credits equal to 100% of your daytime energy usage. Be rewarded for doing everything online.

How much does a TXU Energy ETF cost?

Fees vary by provider, plan, and location, but your EFL will display what is included in your electricity rate and what is additional. For example, the ETF for TXU Energy's Free Pass 24 plan is \$295, while TXU's Free Nights and Solar Days 12 plan's ETF is \$150. If you move out of a provider's service area, you will not pay an ETF.

What is free nights & solar days?

Individual results will vary based on plan and usage. Back and better than ever, Free Nights & Solar Days. Get 100% solar energy during the day and 100% free energy at night. No home solar panels needed.

Are you happy with TXU Energy?

I'm very happy with the plan and TXU Energy!" Choose your plan with confidence, knowing you can test drive it for 60 days. If it's not the right fit, we'll help you find one that is - or you can switch for free.
