

Used valence lithium battery

Used valence lithium battery

[Valence Lithium Battery , My Grand RV](#)

So I've been watching Will Prowse on for a while now and he really likes the Valence used batteries on the market. You can get a 138AH battery with about 85% capacity for \$500. That's a usable 117AH with thousands of cycles still left in the battery. My question is, can I replace my
