

WeiboChina Southern Power Grid Zhang Xiao

Overview

Who is Xiao-Ping Zhang?

Xiao-Ping Zhang is a Professor of Electrical Power Systems, Director of Smart Grid, Birmingham Energy Institute, and Co-Director of Birmingham Energy Storage Centre sponsored by UK, and Head of the Electrical Power & Control Systems Group.

What is the UK-China Smart Grid Workshop?

In 2010, he initiated the UK-China Smart Grid Workshop series, which has led to 13 UK-China joint research projects on smart grid, electric vehicles and energy storage. In June 2011, he proposed the concept of “Global Power & Energy Internet” in the CIGRE Workshop held at the University of Birmingham.

Who is Xiao-Ping?

Xiao-Ping has been an invited speaker for many panel & plenary sessions of International Conferences. He is Co-Chair of the IEEE Power & Energy Society Working Group on Test Systems for Economic Analysis. He is also the secretary of IFAC Technical Committee on Power Plants and Power Systems.
